A modern kitchen and dining area featuring a light-colored wood-look tile floor. In the center is a dark wood dining table with four white chairs that have wooden legs. To the left is a kitchen island with white cabinets, two built-in ovens, a sink, and a modern faucet. A grey sofa is partially visible on the far left. Large floor-to-ceiling windows on the right side of the room offer a view of a sunny outdoor area with palm trees. The lighting is bright and natural, with shadows cast across the floor.
